We are so happy to learn that Lynne has stepped up to the plate and volunteered to be the treasurer now that Michael has commitments in Liberia. Thank you Lynne!!!!

This year Michael is not just content to do good works for The Chief Solano Kennel Club, In March, he will return to his missionary work in Liberia. He will be back on April 1st.

He has not been able to return for the last three years because of the threat of Ebola. Of course this year he is not worried about disease and is ready to get back to work. He and his mission provide basic medical attention, help with construction and spread the gospel. G belong to Liberty Church which is non denominational and supports this altruistic endeavor .

While visiting a friend, I encountered a VERY special dog and his VERY special “owner” who was obviously willing to move heaven and earth to help this dog get well. It was impressive to see the setup he had engineered .
